

Soft Thorns By Bridgett Devoue 16 shipping Soft Thorns Beautiful poetry a few of the quotes are quite deep. **Soft thornseat** Pocketbok A great poetry book similar to those by Amanda Lovelace and Rupi Kaur I would definitely recommend to any fellow poetry lovers, **Dying-earth Soft thorns game** Pocketbok Pretty good but a little samey in my opinion Pocketbok I absolutely loved this book! I read it in one sitting. **Dying-earth Soft thorns fc** Soft Thorns mainly deals with love and heartbreak but also with sexual assault sexism and hope. **Soft thorns book** A lot of people compare it to Milk and Honey by Rupi Kaur and consider Soft Thorns a copy (and dislike it for that very reason): **Soft thorns book** While I do see a resemblance I wouldn't go as far as calling it a copy: **Book Soft thorns** The drawing style is very similar and some of the themes are the same. **Book Soft thorns** But the poems in Soft Thorns aren't quite as heavy and are about overcoming heartbreak than overcoming sexual assault: **Soft Thorns epublising** Pocketbok Split into sections Soft Thorns deals with subjects such as love passion healing and pain through short punchy poetry. **Soft Thorns book** Written beautifully with a raw yet skilled hand each poem flows with feeling and honesty: **Book Soft thorns minecraft** Some poems are accompanied by ink drawings which compliment the words perfectlyoverall an outstanding book[1]
