These women bent over backwards for these worthless men. But I guess that's what love is to Tara and Yanni. Jon and Quan had a lot of growing up to do. Taea and Yanni were down for they men. Every woman ain't built Ford tough. These women took a lot of crap. All I can say is they clapback went hard. Ain't nothing like a woman been hurt deeply by a man. I really enjoyed this storyline. The characters flowed effortlessly from chapter to chapter. Lol! Taea was definitely an insane chick. I thought she was going to kill Jon. That is exactly what they get too. That wasn't cool at all. All of them got what they deserved in the end. I'm glad that Lisa and Tanya got their lives together. But overall you did a great job. Those two cousins had me laughing. Overall this book was good. 270 Endless LoveShanice B. did a magnificent job. This book was straight fire. I loved them cause they didn't play no games. Other than that it wasn't bad. I'm glad everything worked out for the best in the end. 270 This book was okay.Carissa and Keke just had to be messy. Carissa was really wrong for lying on Jon like that. Bet they wish they did things differently. Ken should have been more cautious after what he did. I'm glad both couples worked it out. Great read. Yanni is loyal faithful to and ready to die for Quan.
